P.O. Box 2650
St. George, UT 84770

Dear Mr. Kluksdahl:

Your revised Plan of Operations and amended environmental assessment is currently being reviewed by this office. This review will require an additional period of up to 60 days or until December 26, 1990 to complete.

The reason for this extension is due to our need to coordinate the project review with the State of Utah and to schedule the preparation of various technical reports.

This notice is in conformance with the regulations of 43 CFR 3809.1-6.

If you have any questions please contact David Everett at this office.

Sincerely,

!s/Debbie J. Pietrzak!
